THE ADVOCATE is published monthly by Staten Island Council #1662 Knights of Columbus, 22 Hillside Terrace, Staten Island, New York 10308-1883.

Dear Brothers,

The summer is ending and so I am calling upon all of us to continue our calling as Knights of Columbus. First, I'd like to thank those who never stopped during the summer. Thanks to Steve Milone for running the S.I. Yanks game. Thanks to Steve Maresca for the Monmouth trip and to Dennis Gaffigan and Andy Ahearn for cooking. Thanks to all who pitched in during the annual clean-up of our Council Hall. And thanks to anyone I've overlooked and to those who help while not looking to be thanked.

We have a lot coming up so pick one, some, or all of the following events. We have our "Installation" ceremony on September 15th. There's Alex Giamboi's "Support The Troops" benefit on September 19th. We raised over \$10,000 for our troops last year. If you are unable to attend this event Alex is selling raffles and is taking any donation you may be able to afford. Please support this most worthy cause. We'll be holding a membership drive October 4th at St. Clare's Church. Our Warden Joe Pannattieri I is running another adult Halloween party on October 24th. October 29th is brotherhood night with The Masons at The Staaten. And don't forget the kids Halloween party on October 30th which is free for our family members. To get more information on these events contact the organizer of the event or myself. As usual my information is on the masthead. Once again thanks to everyone who is chipping in.

God Bless and enjoy your Labor Day weekend.

As always it is a pleasure serving you. **Please stay in touch and get involved.**

Fraternally,
Rich Cole, Grand Knight

FROM THE DESK OF JOHN CARONE

Plan for the future.

You have it pretty good right now, don't you? Some minor worries but nothing you can't handle. You and your family are enjoying life. But how long will those carefree days last?

Your wife and family are your responsibility. Have you done anything to secure their future? Have you made any provisions to insure they are taken care of when you die?

I realize that you are healthy today and you feel there is jno hurry to get life insurance. You can always buy it some other time, right? Wrong. You may not be insurable tomorrow.

What if something happens to you? You are left with nothing. Even worse, your family is left with nothing. Buy life insurance today and protect your family's tomorrow.

Call me today for an appointment.
